Taking care of your eyes is an important part of your health.

We use our eyes every day and depend on them for just about everything. Routine vision care may help you identify conditions early and begin treatment when it's most effective. It can also help you avoid unnecessary costs for care later.

With Blue Cross Blue Shield FEP Vision, you can keep your eyes healthy thanks to comprehensive vision coverage.

Here's why more people choose Blue:

- ✓ Our insurance is accepted by both independent providers and national retailers, including Visionworks, LensCrafters, Costco, Walmart, Sam's Club, Target Optical, Pearle Vision and Warby Parker
- ✓ Free vision care exams for all members
- ✓ Use your benefits at online retailers, including glasses.com, 1800contacts.com, visionworks.com, befitting.com and warbyparker.com
- ✓ An extensive, fully covered Exclusive Collection of frames
- ✓ Our High Option **\$200** frame allowance covers about 90% of national retailers' frames in full

Eligible members with specific conditions get added coverage, and High Option members get reduced progressive lens copays. Learn more about what's new at bcbsfepvision.com.
