Focus on what matters most

We offer international coverage to Blue Cross Blue Shield FEP Vision members who travel or live outside the United States. This includes federal employees, retired federal employees, retired uniformed service members, their families and the families of active duty service members.

Individuals in the U.S. and U.S. territories can download the 2023 BCBS FEP Vision brochure at bcbsfepvision.com/brochure.

If you're overseas and have a U.S. VPN, you can also download the brochure at the same URL.

If you don't have a U.S. VPN, you can email us at fepmemberhelp@davisvision.com with any benefit questions.

Why should you consider BCBS FEP Vision coverage?

A comprehensive vision care exam can detect a number of eye diseases as well as signs of systemic conditions, such as diabetes, thyroid disease, high blood pressure and neurological impairments. With BCBS FEP Vision, you can keep your eyes healthy thanks to comprehensive vision coverage.
