Focus on what matters most

We offer international coverage to Blue Cross Blue Shield FEP Vision members who travel or live outside the United States. This includes active and retired federal and USPS employees, retired uniformed service members, their families and the families of active duty service members.

Why should you consider BCBS FEP Vision coverage?

BCBS FEP Vision offers fully-covered comprehensive vision care exams for you and your family, plus discounts on frames to help you look and feel your best. Comprehensive vision care exams can detect a number of eye diseases as well as signs of systemic conditions, such as diabetes, high blood pressure and more. Healthy vision helps ensure good overall health.
